I. PURPOSE

TaF.tc, a college located in Singapore, and LIM College, an institution in New York, NY, agree to articulate the programs outlined in this document to ensure a smooth transfer process for TaF.tc graduates of the Advanced Diploma in Fashion Technology.

The purpose of this Articulation Agreement (the “Agreement”) is to establish collaboration between TaF.tc and LIM College, to promote degree completion and facilitate the transfer process. This Agreement provides assurance that students will matriculate into LIM College with 33 transfer credits to be applied to LIM College’s Bachelor’s of Business Administration (B.B.A.) in Fashion Merchandising. The following general principles guide the operation of this Agreement:

II. ADMISSIONS

This agreement only applies to students who have successfully met graduation requirements in TaF.tc’s Advanced Diploma in Fashion Technology prior to enrollment at the transfer institution. They will be accepted to LIM College based on the following conditions:

GUARANTEED ACCEPTANCE

TaF.tc graduates who have met all requirements to be awarded the Advanced Diploma in Fashion Technology will be **guaranteed transfer*** admission to LIM College.

*TaF.tc graduates must also have met all other requirements as outlined elsewhere in this Agreement and any other applicable standards for LIM College admission. Further, such admission may be withheld by LIM College for any student that has been found to have committed any offense which led to discipline at TaF.tc or otherwise violated TaF.tc’s applicable codes of conduct, standards set forth in student handbooks, or any other applicable behavioral standard, in any way. The determination to withhold admission to a student on the foregoing basis will be made after consultation between both parties but will be made solely by LIM College at LIM College’s sole discretion.

III. ACCEPTANCE OF CREDITS

33 credits from the Advanced Diploma in Fashion Technology will be applied toward the completion of the articulated bachelor’s degree program.

Students will receive a transfer credit evaluation at the time of admission.

IV. REMAINING CREDITS AT RECEIVING INSTITUTION

Students who attend LIM College under this agreement will be required to fulfill LIM College requirements for the B.B.A. in Fashion Merchandising that are in effect the semester/year they matriculate. These credits can be completed through LIM’s online program as well as at the College’s campus in New York City. Upon acceptance to LIM College, TaF.tc transfer students will be advised regarding program modality and course requirements.

V. MASTER'S OPPORTUNITY

Students who complete the B.B.A. in Fashion Merchandising with a GPA of 2.5 or higher are guaranteed admission to any of LIM College's one-year Master of Professional Studies (M.P.S.) degree programs. In order for an M.P.S. program to be completed within one year, full-time students must complete a fall, spring, and summer semester.

VI. F-1 STUDENT VISA TO STUDY IN THE U.S.

Students admitted into LIM College's degree programs will need to request an F-1 student visa at the U.S. consulate in Singapore in order to study in the U.S. To apply for an F-1 student visa, students must obtain a Form I-20 from LIM College's Office of International Student Services. More information on the I-20 application process can be found at www.limcollege.edu/iss under the section "Applying for Form I-20". In addition to a Form I-20, students will need to provide other documents as required by the U.S. consulate. Please consult the instructions on the consulate website: <https://www.usembassy.gov/>

Students who successfully obtain an F-1 student visa from the consulate will be able to enter the U.S. with the approved visa and a Form I-20 from LIM College to begin their studies at LIM College. Upon entry in the U.S., students will be granted an F-1 student status which they must maintain at all times. Students can learn about F-1 student status rules and regulations in LIM College's International Student Handbook at www.limcollege.edu/iss and during mandatory New International Student Orientation.

Upon successful completion of their degree program at LIM College, students may choose to apply for Optional Practical Training (OPT) – work authorization which allows students to get real-world work experience related to their field of study for a period of up to 12 months.

The parties may utilize each other's trademarks in connection with promoting the Agreement, provided the other party pre-approves such use; neither party shall gain any right, title or interest in any name or trademark of the other party.

TaF.tc and LIM College grant a reciprocal license for each to use the name and/or logo of the other educational institution for the purpose of promotion and advertisement of this specific agreement, addressing graduates of Taf.tc, promoting their degree completion. Neither party is authorized to use the other's name and/or logo for any purpose other than stated herein. Advertisement will be disseminated only after consultation between the parties.
