Please contact us at 212-752-1530 Ext. 412 for more information.

Nonrefundable Application Fee

LIM College requires that each applicant submit a nonrefundable \$50 application fee. The application fee can be paid online as a one-time payment using Nelnet Business Solutions. A \$2 fee is charged for each one-time ACH payment and a 2.5% convenience fee for each credit card payment. Campus Visits and Interviews

We strongly encourage all applicants, including international applicants, to visit the campus in order to experience LIM College's educational approach and community firsthand. During your visit, you will have an opportunity to tour the campus, attend a Q&A session, and meet students, faculty, and staff. You may also interview during your visit if you schedule your interview in advance.

At LIM College, we believe that strong interpersonal skills are essential for success as a leader and a team member. Accordingly, admissions interviews play a critical role in the evaluation process and give us a more complete understanding of you as a candidate. Interviews are mandatory. If you are not able to come for an interview by the above deadline, the admissions committee may schedule a phone interview for you. Such invitations are made only after an initial review of an applicant's file. To schedule an on-campus interview please call 212-752-1530 Ext. 412.

Transcripts

Information regarding your academic record must be reported by you on the application form. You are required to include on the Self-Reported Academic Record form the same information contained on the official transcript issued by the institution(s) from which you obtained your undergraduate (bachelor's or first) degree and any advanced/graduate degrees. Please report your GPA scores using the scale employed by the institution attended. If the institution did not use a 4.0 scale, do not convert scores to a 4.0 scale. You will also be asked to provide information regarding courses taken outside your undergraduate institution (for example, transfer courses, study abroad programs, and cross-registration).

If admitted to the LIM College MBA Program, you must provide us with official transcripts for all undergraduate and graduate courses taken, as well as any transfer courses, study abroad programs, or post-college non-degree courses, within 30 days from the application decision date. This requirement also applies to applicants who received their undergraduate degree from LIM College. LIM College reserves the right to rescind any offer of admission should any misrepresentation or omission occur.

Applicants with international transcripts must request an official course-by-course evaluation of transcripts from a NACES (National Association of Credential Evaluation Services) member. A course-by-course evaluation will translate courses, degrees, and grades to U.S. equivalency. <http://www.naces.org/>

GMAT Test Scores

Graduate Management Admission Test® (GMAT®) and GRE Test
LIM College requires every applicant to take and self-report results (scores and percentiles) from the GMAT and GRE test. Results should not be more than five years old. If you have taken the GMAT multiple times, please report only your highest score. For information on how to register to take the GMAT, please visit www.mba.com.

Your application will not be considered complete without GMAT scores and percentiles reported on the application. We do not allow substitution or replacement of test scores after an application has been submitted. You may take the GMAT up to the day before submitting your application. In these instances, you should submit your scores as soon as you receive them.

LIM College accepts students with a range of GMAT scores. If you do not score well on any part of the GMAT or if you do not feel that your score is reflective of your abilities, we encourage you to consider retaking the exam in an effort to improve your score. If offered admission to LIM, your self-reported GMAT test scores will be verified. LIM College reserves the right to rescind an offer of admission should any misrepresentation or omission occur.

LIM College also accepts the GRE test. For more information about the GRE, please visit www.ets.org/gre.

Please use code ZXH-QV to direct your GMAT scores to LIM College and DI Code 2380 to direct your GRE scores.

Test of English as a Foreign Language® (TOEFL) or International English Language Testing System (IELTS)

All non-native English speakers must take and self-report results from the TOEFL or IELTS. The TOEFL/IELTS requirement might be waived for applicants who have recently received a degree from an institution where instruction is in English. All waiver applicants must be interviewed prior to admission.

Results should not be more than five years old. If you have taken the TOEFL or IELTS multiple times, please report only your highest score. We do not allow substitution or replacement of test scores after an application has been submitted. For information on how to register for the TOEFL, please visit the TOEFL website at www.toefl.org.

If offered admission to LIM College, your self-reported TOEFL test scores will be verified. LIM College reserves the right to rescind an offer of admission should any misrepresentation or omission occur.

Essay Questions

The essay questions provide you with an opportunity to help the admissions committee gain greater insight about you as a potential member of the LIM College graduate community. We do not allow substitution or replacement of essay responses after an application has been submitted. Please be clear, succinct, forthright, and thoughtful in your responses. Additionally, we ask that you share what you truly feel, as opposed to writing what you think the admissions committee would like to read. There are no right or wrong answers. Reapplicants must also complete the reapplicant essay. LIM College expects that the work contained in the essays is completely accurate and exclusively your own. Use of professional essay-writing services violates LIM College's admissions policies.

Funding Your Education

Private/Alternative Education Loans

Students can apply for credit-based private education loans to finance their education. Depending on your credit history, you may need a co-signer for approval. To determine which lenders offer the best terms and conditions for you, we recommend that you utilize comprehensive lender comparison sites such as www.simpletuition.com or www.studentloanlistings.com. LIM College also encourages students to compare lenders and to also use mainstream Internet resources to search for and review lenders. The office of Student Financial Services will certify a loan through any lender if you meet that lender's eligibility criteria. Please note, in accordance with New York State and Federal recommendations, we will not certify a private loan unless you have first applied for and accepted your eligible federal Stafford Loan(s).

Federal Student Loans

LIM College is approved by the U.S. Department of Education to award Federal Direct Stafford Loans and Direct Graduate PLUS Loans (based on credit approval). To determine your eligibility, please complete the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov. For March 2010 admission, we recommend that you complete the 2009-2010 FAFSA by December 1, 2009 and for September 2010 admission, please complete the 2010-2011 FAFSA by June 1, 2010. Be sure to read the application instructions thoroughly before completing the application. For more information, please visit www.limcollege.edu

and click on Financial Aid for Graduate Students. LIM College federal school code: 007466.

Nelnet Business Solutions

(FACTS Installment Plan)

To help meet your educational expenses, LIM College offers an installment payment plan through Nelnet Business Solutions (formerly FACTS Management Co.). There are no interest or finance charges and payments can be made using a credit card (Visa not accepted at this time) or Automatic Bank Payment (ACH). The cost to budget your interest-free, flexible payment plan option is a \$45 annual nonrefundable enrollment fee. To enroll visit www.graduate.limcollege.edu and click on Financial Aid for Graduate Students.

Letters of Recommendation

The Letter of Recommendation form should be given to two people capable of commenting on your professional, leadership, and intellectual capabilities. We have found that the most useful evaluations are those from people who are able to speak with certainty about your leadership, maturity, team orientation, communication skills, intellectual ability, and interpersonal skills. Generally we prefer that you submit Letters of Recommendation from people who know you well and are in a position to judge your professional performance and leadership, such as your direct supervisor. Please contact your evaluators well in advance to give them sufficient time to write and return their evaluations by the application deadline for which you are applying. Given the importance we place on Letters of Recommendation we do not review any applications until we have received the Letters of Recommendation from both of the evaluators you listed in your application. It is your responsibility to make sure that your evaluators are aware of the deadlines and to ensure that both Letters of Recommendation have been submitted. If you would like to make any changes to your list of evaluators please notify the Office of Graduate Admissions in writing.

Nondiscrimination Policy

LIM College is committed to the principles of equal opportunity for all its students, faculty, employees, and applicants for admission and employment. For that reason, LIM College does not discriminate on the basis of race, color, religion, sex, age, sexual orientation, gender identity or expression, national origin, disability, or military or veteran status, or any other status protected by applicable law in its programs, organizations, employment, and admission.

Student Health Insurance

LIM College is pleased to provide all part-time and full-time graduate students with an affordable student health insurance plan. The cost of this plan is \$1,339 for 12 months of coverage. Letter of Recommendation

Dear Evaluator:

Admission to the LIM MBA program requires that each applicant provide the admissions committee with two Letters of Recommendation completed by individuals who can speak with certainty about the applicant's candidacy for admission. I greatly appreciate your candor as one of the two individuals asked to provide this feedback.

Your response will be a significant part of the overall evaluation process for admission to LIM College. The admissions committee is specifically looking for your insight into the applicant's leadership, teamwork, communication skills, intellectual abilities, interpersonal skills, maturity, strengths, and weaknesses. We have found that the most helpful recommendations provide specific examples or anecdotes to highlight the qualities described. Please be as detailed in your evaluations as possible. If after reviewing the form you feel that you do not know the candidate well enough to adequately comment on these parameters, I ask that you discuss your concerns with the applicant.

Given the importance we place on these statements, we do not review any applications until we have received statements from both evaluators. Please return the completed letter of recommendation to the applicant or send it to the Center for Graduate Studies & Continuing Education to the address below.
