Receiving College: LIM College

Program: Bachelor of Business Administration: Marketing

LIM College and Tarrant County College District have entered into this Articulation Agreement for the transfer of credits to benefit those students who wish to pursue a degree at LIM College as designated above.

Articulation Agreement

LIM College and Tarrant County College District agree to the following:

- LIM College and Tarrant County College District will draft and maintain Transfer Guides, as an addendum to this agreement, which identifies the transferring institution courses which satisfy direct, liberal art, or general/flex elective requirements at LIM College.
- Under this agreement, students who complete the courses listed on the Transfer Guide and earn their Associate's degree; will receive transfer credits for courses where a passing grade has been earned. These credits will be applied for those courses that are required in the chosen program of study.
- Students must meet the admissions and Bachelor's degree requirements for the academic year in which they are admitted. Please refer to the college catalog for complete admissions and program requirements.
- Students are required to submit an official transcript from Tarrant County College District in order to complete the transfer of applicable credit.

- LIM College and Tarrant County College District shall review and update the Transfer Guide as necessitated by curriculum changes by either party.

REVERSE TRANSFER

Although LIM will encourage students to graduate from Tarrant County College District, some students choose to transfer early. This transfer articulation agreement will be honored in the event students from Tarrant County College District transfer to LIM College prior to completion of their Tarrant County College District associate’s degree, and sub-sequentially obtain their associate’s degree through Tarrant County College District reverse transfer process.

LIM College will work collaboratively with Tarrant County College District to communicate with students who have transferred from Tarrant County College District prior to associate’s degree completion, so that the reverse transfer process can be activated.

“Reverse Transfer permits students that have matriculated to LIM College prior to completion of an associate degree at TCCD to transfer course work from LIM College back to TCCD in order to complete the associate degree. This feature may be extremely advantageous to students whose higher education plans are interrupted by life circumstance and the completion of the associate degree becomes a valuable indicator of their success. *When possible, LIM College will deliver reverse transcripts via the National Student Clearinghouse (NSC) Reverse Transfer service.* Upon the student’s request reverse transfer of LIM College’s credits will be accepted by TCCD for consideration of an Associate degree, provided that the student earned at least **30 credit hours** at TCCD prior to transferring to LIM College and have earned a cumulative total of at least 90 credit hours for course work successfully completed.

SCHOLARSHIPS

LIM College in partnership with Tarrant County College District will create and award the LIM College/ Tarrant County College District Transfer Scholarship, in an effort to encourage Tarrant County College District students to earn their associate degree credentials, facilitate transfer to the four-year institution, and support completion of the bachelor’s degree at LIM College. These scholarships will also serve as marketing/recruitment tools for the receiving institution.

The LIM College/ Tarrant County College District Scholarships will have the following criteria:

1. Students must graduate from Tarrant County College District with a minimum GPA of 2.0
2. Students **MUST** graduate with an associate’s degree from Tarrant County College District
3. Students must register at the receiving institution as full-time, matriculated students
4. The scholarships will be renewable, as long students meet the following minimum requirements:
 - a. Maintain a cumulative GPA of 2.0
 - b. Maintain full-time matriculated status
 - c. Maintain satisfactory academic progress towards a degree at the receiving institution

--	------------------------	--	---	--

Confidentiality

Any information shared between the parties which by their nature should be reasonably understood by the receiving party as confidential or proprietary information, shall remain confidential.

Marketing

LIM College and Tarrant County College District will work together to promote this Agreement to the participants which may include on-site events and distribution of marketing materials. The parties may utilize each other’s trademarks in connection with promoting the Agreement, provided the other part pre-approves such use; neither party shall gain any right, title or interest in any name or trademark of the other party.

Termination and Modification

This Agreement is effective upon the date of the last signature and shall remain in effect for one year. Thereafter, this Agreement shall automatically renew for additional one-year term(s) unless either party provides thirty (30) days written notice prior to the end of the current term to the other party of its intent not to renew. In addition, either party may terminate this Agreement for any reason, or no reason, by providing ten (10) days written notice to the other party. This Agreement is subject to change or modification by mutual written consent between the parties. Any provisions of this Agreement which remain to be performed or by their nature would be intended to be applicable following the expiration or termination of this Agreement, including the continued matriculation of students that are at the time presently enrolled in Tarrant County College District or LIM under the terms of this Agreement, shall survive the expiration/termination of this Agreement.

Independent Contractors

The parties intend that the relationship established between them pursuant to this Agreement shall be that of independent contractors. No agent, employee or servant of Tarrant County College District shall be deemed to be an employee, agent or servant of LIM. No agent, employee or servant of LIM shall be deemed to be an employee, agent or servant of Tarrant County College District. The manner and means of conducting the work hereunder are under the sole control of each party regarding each party’s obligations. None of the benefits provided by LIM to its employees including worker’s compensation insurance and unemployment insurance is available from Tarrant County College District's employees, agents or servants. None of the benefits provided by Tarrant County College District to its employees including worker’s compensation insurance and unemployment insurance is available from Tarrant County College District to LIM’s employees, agents or servants. Each party will be solely and entirely responsible for its acts and for the acts of its agents, employees, servants and subcontractors during the performance of this Agreement.
