This Articulation Agreement ("Agreement") is made by and between Receiving College, LIM College ("LIM College" or "LIM") located at 216 E. 45th Street, New York, NY 10017 and Sending College/Institution, Brookdale Community College. Collectively, both Brookdale Community College and LIM shall be referred to as the parties.

II. Purpose

To establish guidelines and procedures to facilitate the transfer of qualified A.S. Fashion Design and Merchandising graduates to baccalaureate degree programs at LIM College. A.S. Fashion Design and Merchandising graduates are eligible to transfer into the BBA in The Business of Fashion or the BBA in Fashion Merchandising.

LIM College guarantees admission into the BBA in The Business of Fashion or the BBA in Fashion Merchandising to students from Brookdale Community College A.S. Fashion Design and Merchandising program provided they complete their degree program with a minimum cumulative grade point average of 2.0 and by the time of completion at Brookdale Community College A.S. Fashion Design and Merchandising program, have met all other requirements as outlined elsewhere in this Agreement and any other applicable standards for LIM admission. Admission may be withheld by LIM for any student that has been found to have committed any offense which led to discipline at Brookdale Community College or otherwise violated the Brookdale Community College code of conduct, student handbooks, or any other applicable behavioral standard, in any way. The determination to withhold admission to a student on the foregoing basis will be made after consultation between both parties but will be made solely by LIM at LIM's sole discretion. Students must register at LIM College as full-time, matriculated students. In the students' final semester at Brookdale Community College, they must complete the LIM College Transfer Admissions application found on www.limcollege.edu.

III. Provisions

LIM College and Brookdale Community College will draft and maintain Transfer Guides, as an addendum to this agreement, which identify the transferring institution courses which satisfy direct, liberal arts, or general/flex elective requirements at LIM College.

- Under this agreement, students who complete the courses listed on the Transfer Guide and earn their associate degree will receive transfer credits for courses where a passing grade has been earned. These credits will be applied for those courses that are required in the chosen program of study.
- Students must meet the admissions and bachelor's degree requirements for the academic year in which they are admitted. Please refer to the college catalog for complete admissions and program requirements.
- Students are required to submit an official transcript from Brookdale Community College in order to complete the transfer of applicable credit.
- LIM College and Brookdale Community College shall review and update the Transfer Guide as necessitated by curriculum changes by either party.

- Brookdale Community College will promote the agreement and provide contact information for LIM representatives on the LIM microsite created by Brookdale Community College.

IV. Scholarships

LIM College will create and award the **LIM College/Brookdale Community College Transfer Scholarship**, in an effort to encourage Brookdale Community College students to earn their associate degree credentials, facilitate transfer to the four-year institution, and support completion of the bachelor's degree at LIM College. V. Additional Terms and Conditions

Confidentiality

Any information shared between the parties which by their nature should be reasonably understood by the receiving party as confidential or proprietary information, shall remain confidential.

Marketing

LIM College and Brookdale Community College will jointly promote this Agreement through on-site events and the distribution of marketing materials. All promotional materials must include both Brookdale and LIM branding to ensure consistent and unified representation of the partnership.

Marketing materials include, but are not limited to: flyers, brochures, digital and print advertisements, press releases, email communications, social media posts, website content, presentations, signage, and event collateral.

All marketing materials must be reviewed and approved by Brookdale Community College's College Relations team prior to release or distribution. Each party may use the other's name and trademarks solely for the purposes of promoting this Agreement, with prior approval required. Use of these trademarks does not confer any ownership rights or interests to either party.

Termination and Modification

This Agreement is effective upon the date of the last signature and shall remain in effect for three years. Thereafter, the parties may agree to renew this Agreement upon execution of a mutual written agreement or addendum that is signed by the parties prior to expiration of the current term. In addition, either party may terminate this Agreement for any reason, or no reason, by providing thirty (30) days prior written notice to the other party. Should this Agreement be terminated before expiration of the term, the parties will work together in good faith to ensure students will be given every opportunity to finish their program of study. This Agreement is subject to change or modification by execution of a mutual written agreement that is signed by the parties. Any provisions of this Agreement which remain to be performed or by their nature would be intended to be applicable following the expiration or termination of this Agreement, including the continued matriculation of students that are at the time presently enrolled in Brookdale Community College or LIM under the terms of this Agreement, shall survive the expiration/termination of this Agreement.

New Accreditation Policy And Procedures Applicable To Brookdale Community College

The Middle States Commission of Higher Education (MSCHE/Commission) has developed the *Third-Party Providers Policy and Procedures* to articulate the Commission's expectations for quality, integrity, transparency, and disclosure for institutions working with third-party providers. The policy and procedures also address written arrangements, which require approval prior to implementation through substantive change process. The Commission developed *Third-Party Providers Policy and Procedures* following an analysis of the role of third-party providers in higher education as well as in consideration of comments received during the call for public comments period. As a result of the comments, the Commission made a number of clarifications to the definition of third-party provider, which is limited in scope within the **Standards for Accreditation and Requirements of Affiliation (Fourteenth Edition), Evidence Expectations by Standard Guidelines, policies and procedures**, and applicable federal regulatory requirements.

The Commission has always had expectations for institutions relating to integrity and truthful representation in arrangements with third-party providers dating back to the *Characteristics of Excellence in Higher Education* (2011). Key considerations from Commission policies and guidelines that touched on third-party providers have been incorporated into the new *Third-Party Providers Policy and Procedures*. As a result, the former policies known as *Contracts by Accredited and Candidate Institutions for Education-Related Services*, *International Programs Offered by Accredited Institutions*, as well as *Third-Party Providers Guidelines*, are withdrawn effective January 1, 2024.

The new policy addresses the use of third-party providers by institutions and requires that institutions maximize transparency and student considerations in these relationships, provide forthright reporting and disclosure of any such relationships and their terms, and follow any federal or state regulations that may also govern the provider relationship. The procedures describe the evidence required for Commission review of third-party providers during accreditation activities as well as prior approval of written arrangements through substantive change.

The policy and procedures became effective on January 1, 2024, and are available on the **Browse Policies and Procedures page** and can be found using the search filter. The Commission released a summary of the comments on the **Policies Under Review page** in January 2024.

Brookdale Community College is sharing this information being that LIM falls within the definition of third-party service provider, and the Parties will be entering into this Articulation Agreement regarding a program that impacts the student learning experience, supports student services and/or that your entity will have a contractual relationship with the College (Standards III, IV and VII). In light of the new MSCHE Policy, and the fact that the College is responsible for the management, assessment, oversight and support of its third-party service providers, LIM warrants and agrees to abide by the compliance, assessment and reporting requirements of the Policy and within the established timeline for evaluation, analysis and follow up procedures, if/when required.

Failure to comply with the foregoing requirements may necessitate a termination of Agreement "for cause" effective immediately via written notice from Brookdale Community College.

Independent Contractors

The parties intend that the relationship established between them pursuant to this Agreement shall be that of independent contractors. No agent, employee or servant of Brookdale Community College shall be deemed to be an employee, agent or servant of LIM. No agent, employee or servant of LIM shall be deemed to be an employee, agent or servant of Brookdale Community College. Indemnification

Subject to limitations in applicable law, each party ("Indemnifying Party") shall indemnify, defend, and hold harmless the other party, along with any of its affiliated companies and their respective officers, directors, employees, agents ("Indemnified Party") from and against any loss, cost, claim, liability, or damage relating to or arising out of Indemnifying Party's negligent performance under this Agreement.

No Assignment

Neither party may assign this Agreement without the prior written consent of the other party.

Non-exclusivity

This Agreement in no way prohibits either Party from participating in similar activities with other public or private companies, organizations, agencies, and individuals.

No Third-Party Beneficiaries

This Agreement is made solely for the benefit of the parties hereto, and is not intended to create any third-party beneficiaries.

Limitation of Damages

Neither party shall be responsible for any of the other party's claims, liabilities, damages, losses, and costs against it including, but not limited to, reasonable costs and attorneys' fees at the pre-trial, trial, and appellate levels, arising out of, resulting from or incidental to the breaching party's performance under this Agreement, or to the extent caused by negligence, recklessness, or intentional wrongful conduct of the breaching party or other persons employed or utilized by the party in the performance of this Agreement.

FERPA and Data Protection

The Parties acknowledge and agree that any student data and information exchanged between the Parties must be exchanged in compliance with the Family Education Rights and Privacy Act, 20 U.S.C. § 1232g and the regulations promulgated thereunder, 34 CFR pt. 99, as each may be amended from time to time ("FERPA"). Pursuant to FERPA, protected student information and data may be exchanged between schools, school systems, or institutions of postsecondary education, without obtaining prior written consent of the student, where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer. 20 U.S.C. § 1232g(b)(1)(B) and 34 C.F.R. § 99.31(a)(2).

Additionally, Brookdale Community College and LIM College will comply with, and will be responsible for requiring their respective officers and employees to comply with, all other applicable federal, state, and local laws and regulations; and the rules and regulations of their respective governing boards, including, but not limited to, the Health Insurance Portability and accountability Act (HIPAA); Title VI of the Civil Rights Act of 1964, as amended; Title VII of the Civil Rights Act; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975; the Americans with Disabilities Act of 1990, as amended; and applicable state laws and regulations governing student and other data privacy.
