Please read carefully

Before beginning the exams, please be sure to review the Study Guides. They can be found by clicking the Study Guide links below or clicking "Modules" to the left.

After reviewing the Study Guides and once you are ready to proceed with the exams, please click the "Modules" button to the left. You will need to agree to an honesty statement, after which the exams become available. Follow the instructions for each test.

- Please use a computer or laptop to complete this exam; do not use a phone or tablet.
- Be sure to have reliable Internet access.
- Before you begin an exam, be sure you have the time to commit to fully complete each exam.

Once started, this test must be completed in one sitting. Do not leave the test before clicking Submit.

If you encounter technical issues during the exams, please call Canvas support at 1-844-340-6730. If a test reset is needed, it will occur the next business day.

Good Luck!

IMPORTANT:

- To access Canvas, you must set up your LIM Email account.
- Please use a computer to complete the exams; tablets and phones are not suitable. Chrome, Edge, and Firefox are the recommended browsers. Do not use Safari or Explorer while using Canvas.
- LIM College strongly encourages all students to review the study guides provided.
- Placement exam(s) may only be completed once.

- You will have 60 minutes to complete the math placement exam and 90 minutes to complete the Writing placement exam. Once you begin the exam, you cannot exit, it must be completed in one sitting.
- Please only complete the placement exam(s) which you are required to take, as communicated via the Office of Admissions. If you are unsure which exam(s) you must complete please contact the Admissions at (212) 310-0639 or admissions@limcollege.edu.
