LIM College and 1760 REALTY are proud to offer LIM College students housing accommodations at 1760 Third Avenue, in Manhattan, for the 2016-2017 academic year. You and LIM College share a mutual responsibility to assure a dignified, respectable, and constructive experience in group urban living. We do our best to provide a congenial, comfortable and culturally enriching atmosphere for all students. We expect you to abide by our rules and regulations so that we can maintain this environment.

Please read the following sections carefully, so that you become fully aware of the regulations and procedures in this contract. After you have read them, sign the Housing Contract and retain the rules and regulations for your review. Your signature indicates that you will comply with these terms and conditions. This document is a contract and summarizes the respective legal obligations between you and LIM College and is an agreement to the rules and regulations established by LIM College’s Student Code of Conduct, which can be found online at http://www.limcollege.edu/studentcodeofconduct

I) Room Occupancy and Guests

1) Priority for student housing is given to students who maintain full-time matriculation status. Vacancies may be filled with other students participating in LIM College programs and other eligible persons within the sole discretion of LIM College. This housing contract is for the full 2016-2017 academic year (fall and spring semesters). Signing this contract obligates you for the costs of housing for the full academic year regardless of whether or not you continue to live at 1760 Third Avenue for the full academic year.

2) LIM College makes every effort to give room assignments in accordance with lifestyle preferences listed on the housing application. Assignments are made without regard to ancestry, race, national origin, age, religion, disability, veteran status or sexual orientation.

3) No other person may use your room or any other bed in your room without the prior written consent of LIM College. You may not sublet or assign the rights to your room.

4) You must not occupy or intrude upon the other areas of the room in a way that deters your roommate(s) or future roommate(s) from occupying that space or interferes with your roommate(s) use of the room. If you do not comply with this provision, you will be charged for use of the additional space.

5) You must reside in your assigned room. You may not switch rooms or roommates or permit any part of the room to be shared by persons not assigned by LIM College. No changes in room assignments may be made without the prior written approval of the LIM College Office of Housing & Residence Life.

6) LIM College reserves the right to assign a new occupant to fill a vacancy, to make changes to room assignments, and to reassign or remove any student from the residence hall.

7) There are no room changes within the first two weeks after each semester begins. Room transfers may only be made after receiving written approval from LIM College’s Director of Housing & Residence Life or designee. LIM College reserves the right to reassign a resident within its discretion. Consolidation may be necessary and may result in the College moving together residents who are paying for a double or triple occupancy room but are in a room by themselves. If a student refuses to move when requested, he/she will be charged for the use of multiple bed spaces.

8) Guests: Daytime Policy
Daytime guests are permitted in the building and in the rooms with express permission from all roommate(s) starting at 8:00a.m. every day and are required to leave by 12:00 a.m., unless the guest has received an overnight guest pass, as described below. Daytime guests must leave the building by midnight and return their visitors pass at the security desk or they will be considered an overnight guest.

Regardless of the length of stay, all guests are expected to abide by all LIM College and 1760 REALTY policies, procedures, regulations and standards. The resident host is responsible for the actions of his/her guests at all times. Any guest who violates any LIM College or building policies while in a student’s room or any other areas of the building will be asked to leave the residence hall and will be subject to all applicable legal sanctions. All guests must register at the security desk with the resident host. Both the guest and the host must supply a current, valid photo ID.

Guests without proper identification are not permitted. The propriety and sufficiency of the identification is within the sole discretion of LIM College or 1760 REALTY staff. Upon departure, guests must sign out at the security desk and return their guest pass. The resident host must escort guests at all times while inside the building and is responsible for the guest signing in and out. Guests under the age of 17 must be accompanied by their parent or guardian or receive written permission from LIM College’s Office of Housing & Residence Life at least three calendar days prior to visiting the residence hall.

9) Guests: Overnight Policy
Overnight guests will not be permitted at the residence hall during the first two weeks after each semester begins without prior written permission from the LIM College Office of Housing & Residence Life. Other than as limited above, overnight guests are permitted in the building and in a resident host’s room with express permission from the roommate(s). If any
residents do not want overnight guests in their room, it must be indicated on their roommate agreement. In these cases, overnight guests will not be permitted in the room without written permission from all roommates. It is the resident host’s responsibility to request an overnight guest pass by completing and turning in the Overnight Guest Form to LIM College’s Office of Housing & Residence Life no later than 10:30 p.m. the day of the visitor’s arrival.

All overnight guests must receive an overnight guest pass to remain in the building after designated daytime visiting hours. This pass must be carried with the guest at all times. In no event may a resident have an overnight guest for more than seven nights in any month, whether consecutive or not. There are no fees for an overnight guest the first three consecutive nights. A guest who stays between four and seven consecutive nights must pay $20 per day to the LIM College Office of Housing & Residence Life. This fee will be collected prior to the arrival of the guest if the stay is approved. If approved by the roommate(s), residents may host up to two guests for one night by using two of their allotted seven nights (two guests for three nights = six nights). However, no room can have more than double its room occupancy at any given time. **Guests must be accompanied by the resident host at all times while in the building.**

10) Room key cards may not be duplicated and/or loaned to anyone, including family, friends or other residents. Room key cards may not be left in mailboxes.

11) Individuals who become locked out of their room should go to the Office of Housing & Residence Life — which is open Monday to Friday from 9:00 a.m. to 6:00 p.m. and 7:00 p.m. to 11:00 p.m. and on Saturday and Sunday from 7:00 p.m. to 11:00 p.m. — and to the security desk at all other times. Students will be charged a $5 fee by LIM College after the first lockout. This fee will be deducted from the resident’s LIM College housing security deposit and/or charged to the resident as a damage fee.

II) **Conditions of the Residence**

1) All students must abide by the policies, procedures and expectations in the Student Code of Conduct and Housing & Residence Life Handbook, which are incorporated into this document for reference. Current versions of these documents are also available on LIM College’s website [www.limcollege.edu](http://www.limcollege.edu). Violations of any LIM College policies or procedures will result in disciplinary action up to and including a referral to the Disciplinary Hearing Board for dismissal from housing and/or the College. If a student is removed from housing for disciplinary reasons there will be **no refund of any payments made by or on behalf of the student.**

2) All maintenance concerns should be reported immediately through the website [www.studenthousing.org/repairs](http://www.studenthousing.org/repairs). The Office of Housing & Residence Life or the 1760 REALTY security desk should be contacted for emergency maintenance requests.

Residents may not remove or trade furniture with other rooms/residents. If the room has sustained damage beyond usual wear and tear, as determined solely by 1760 REALTY and/or LIM College, residents will be charged the cost of repairs. Students may not remove any furnishings from the building’s lounge spaces. Those found in violation of this provision will be subject to disciplinary action by LIM College.

To smoke, you must go outside of the building and be at least 20 feet away from the entrance. You may not smoke directly in front of the building or block the entrance.

If these items are found in the room they will be confiscated and disposed.
